THREE INJURED IN CRASHES ON COUNTY ROADS

Three persons were injured in three accidents on Adams county highways Tuesday.

John T. Moss, 72, Washington, D. C., suffered a fractured nose, severe shock, multiple lacerations and contusions in an accident near the county home. He was admitted as a patient at the Warner hospital. Andrew Starnier, Biglerville R. 1, was treated by Dr. P. J. McGlynn, Biglerville, for lacerations of the face and neck, and contusions of the head and Jacob Miller, Palmyra R. D., was treated by Dr. B. C. Jones, Bendersville, for deep lacerations of the head, bruises and shock as a result of an accident four miles north of Biglerville.

Car-Truck Crash
Moss was driving toward Gettysburg on the Harrisburg road at 4:30 o'clock Tuesday afternoon and, according to state police, passed several cars near the county home. Police say that Moss was unable to get back to his own side of the road in time and crashed into a truck owned by the J. P. Breslin company, Baltimore, and driven by William Leroy Griffin, Baltimore, which was going north on the road. State Policeman David K. James, who is continuing his investigation of the Moss accident, said that damage amounted to about \$400 to the two vehicles.

Charge Is Filed
The accident near Biglerville occurred at 4 o'clock at the intersection of the Bendersville-Aspers and Biglerville-Carlisle roads. Starnier was driving south on the Biglerville road in a truck owned by Frederic E. Grist, Jr., Flora Dale, when Miller, according to police driving east on the Bendersville road, allegedly ran through a stop sign and crashed into the side of the Grist truck.

A charge of failure to stop at a stop sign has been placed against Miller before Justice of the Peace William Slough, Menallen township. State police today were investigating an accident near Gardners in which a driver named Conover who lives at Gardners R. 1, ran over an abutment and damaged the front of his car. Conover claimed he was forced off the country road by a motorist going in the opposite direction.

DISMISSAL OF PETITION ASKED

Replying to a petition for a writ of certiorari, Magistrate Joseph J. Ash, Emmitsburg, has asked that a Circuit court action be dismissed and asserts that the request is "bad in substance."

His answer, filed in Frederick Circuit court through State's Attorney Edwin F. Nikirk, was to a petition entered by Charles M. Stunkel, near Dickerson. Stunkel claimed the proceeding by which he was convicted of drunken driving by Magistrate Ash July 15 was illegal. He claimed that the magistrate failed to forward an appeal to the Circuit court and asked a review of the legality of his arrest, imprisonment and conviction.

In the answer, Magistrate Ash said Stunkel failed to avail himself of the right of appeal as provided by law. He asserted, through Mr. Nikirk, that a certiorari writ will not ordinarily lie in any case in which an appeal is provided by law.

The magistrate said that in the Stunkel case he was exercising his power and jurisdiction vested by law and that the petition does not raise the question of the jurisdiction of the magistrate to have trial and determine the matter brought before him.

The petition, he added, requests the court to take cognizance of the case and decide it on its merits whereas the writ of certiorari will issue simply to inquire as to whether the inferior court proceeded within the just limits of its authority and jurisdiction.

Political Rallies In County Tonight

Republicans and Democrats both will stage political rallies this evening.

The Democratic ticket will speak at the court house at 8 o'clock while the Republicans will gather in the community hall at Bendersville at the same time for their session.

COUPLE WEDS

Gordon Franklin Matter, Halifax, Pa., and Miss Betty Marie Hoover, Lykens, were married October 19 at Dillsburg by the Rev. William F. Kohler, according to a return filed with the clerk of courts here. The license was obtained in Adams county.

Roger Smith Named Assistant Coach

Roger Smith, former athlete at William Penn high school and Gettysburg college, has been appointed as assistant football coach at William Penn high.

Smith was graduated from William Penn in 1939 and then entered Gettysburg college. He played football and basketball in college and later coached the Biglerville high school football team. He served 33 months in the Army, being stationed at various posts in the United States.

G.H.S. ALUMNI PLANNING XMAS PARTY DEC. 26

Plans for a Christmas party for Gettysburg high school alumni and students along the lines of the successful event held last Christmas-time were made at a meeting of the Alumni association Council Tuesday evening at the YWCA building with President LeRoy H. Winebrenner presiding.

The affair will be held December 26 with the selection of place and all other arrangements to be handled by the social committee headed by Mrs. S. Richard Eisenhart.

The resignation of Miss Jeanne Spangler as association secretary was accepted and Miss Sara Jane Maust was elected to take her place December 1, when the resignation becomes effective.

Re-Appoint Committees
The group discussed means of bringing up-to-date the address files of alumni. Some work was done on that task Tuesday and further progress is to be made at the spring meeting of the council.

The report of the treasurer, Mrs. Gladys Raymond Kelly, showed that both the Christmas party last year and the commencement time banquet were financially successful. Rather than costing the association a sum, each paid its own expenses and turned a balance over to the treasury. The association treasury balance was given as \$240.

President Winebrenner re-appointed standing committees from last year and made several changes in lists of class representatives so that each class in the organization will have a local representative.

The new class representatives are: Class of 1940; Miss Grace Waltemyer; 1944, Miss Eloise McClear, and 1945, Sara Mickle.

The chairman of the standing committees which were re-appointed by President Winebrenner follow: Mrs. Eisenhart; nominating, Melvin Little; publicity, Hugh C. McIlhenny; finance, Carl Menchey; scholarship, Mrs. Ellen Tipton Buehler, and athletics, C. C. Culp.

Fractures Both Arms In Fall From Tree

Richard Ditzler, 24, York Springs, was admitted to the Warner hospital Tuesday following a fall from a tree in which he suffered fractures of both arms. He was working for Alfred Fidler at the time of the accident.

Charles Congleton, York Springs, received medical attention Tuesday for a fracture of his right leg, after which he was discharged.

Mary Staley, two-year-old daughter of Mr. and Mrs. Elliott Staley, 534 West Middle street, was treated for a cut to the left of her lower lip, sustained in a fall on a bottle Tuesday evening.

Joseph Snyder, Littlestown R. 2; Mrs. Charles Hain, 225 North Washington street, and Mrs. Paul Walter, 201 South Washington street, have been admitted as patients. Those discharged were Helen Swope, Flora Dale; Mrs. Raymond Lawver and infant son, Richard Allen, 224 Baltimore street, and Mrs. Charles Cluck, Fairfield.

Military Rites For Joseph Adelsperger

Funeral services for Joseph "Bud" Adelsperger, son of Mr. and Mrs. Owen Adelsperger, Emmitsburg, who was fatally injured in an accident while working for a construction company in Baltimore Tuesday, will be held Friday morning at 10 o'clock in St. Joseph's Catholic church in Emmitsburg.

Friends may call at the Allison funeral home at Emmitsburg Thursday evening after 7 o'clock.

Adelsperger, a painter by trade, was a veteran of World War II and had served in Italy with the 88th Division. He was a member of the American Legion and Veterans of Foreign Wars.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Charles Hain, 225 North Washington street, announce the birth of a son at the Warner hospital this morning.

A daughter was born this morning at the hospital to Mr. and Mrs. Paul Walter, 201 South Washington street.

SEEK \$200 FOR PARADE PRIZES AT HALLOWEEN

With a goal of \$200 or better in prizes, the Halloween committee Tuesday night named solicitors to visit business people in the town to ask donations toward the awards.

Chairman Paul Miller, meeting with representatives of the Moose, Legion, Veterans of Foreign Wars, Eagles, Rotary and other local organizations at the Legion home named the following solicitors:

For center square and Carlisle street, John Harold Pitzer; First three blocks of Chambersburg street, Harry E. Bender; First two blocks of York street and West Middle street, Charles Utz and Paul Miller; York and Hanover streets, east of the Lincoln school, Elmer Warren; South of the first block of Baltimore street, Steinwehr avenue and South Washington streets, Samuel Weaver; Buford avenue, Edward Culp, and First block of Baltimore street, Henry W. Garvin.

Pick Parade Judges
Named as judges for the parade were Associate Judges J. Price Oyer and A. Dale Knouse, Burgess C. A. Heiges, County Agent M. T. Hartman, Assistant County Agent Ira Dunmire, Attorney Donald M. Swope and six members of the Veterans of Foreign Wars who will be announced following a meeting of the post this evening.

Judges Oyer, Knouse, Heiges, Hartman and Dunmire will be seated on the platform on center square while the VFW judges, under the direction of Attorney Swope will be on the square. The men on the street will pick out the best candidates for prizes, Chairman Miller said. Those contestants picked by the judges working in the parade will go to platform and there the judges on the platform will select the final winners.

No Politics
Everyone in Adams county was invited to take part in the parade with one exception. The committee voted that there will be no political floats in the parade. But the committee urged the politicians to forget politics for the night and join the rest of the county by dressing up in Halloween costume and taking part in the parade as private citizens.

The parade will be followed by a band concert during the period the judges are making the final decisions on who wins the prizes.

During that period, the youngsters whose designs for the window soaping contest are selected as the best will be engaged in placing the designs on the windows of the Rea and Derick store, Center square.

After the parade prizes are given and awards are made for floats and other contestants, the soap designs on the Rea and Derick windows will be judged and the prizes awarded to the artists.

Fire Companies Invited
The committee has asked all youngsters in the county to draw their conception of a good design or scene to be placed in soap on the windows and to send the drawings to the Window Soaping Contest. (Please Turn to Page 2)

C. E. ZIEGLER EXPIRES TODAY

Charles E. Ziegler, 83, York street, a retired carpenter, died just before noon today at the Warner hospital, where he had been a patient since October 16. Heart trouble was given as the cause of his death.

Mr. Ziegler was born in Gettysburg and spent his early years here. He worked for a number of years at his trade in the Far West before returning here a number of years ago. Before his retirement he had been employed on the battlefield by the National Park Service.

His wife, Rebecca Pfeffer Ziegler, passed away three years ago. There were no children.

Mr. Ziegler was a member of the Gettysburg Fire company, the Odd Fellows, Eagles and Junior Order.

He is survived by a brother, Samuel P. Ziegler, Chicago, a sister, Mrs. Bertha Parker, Pasadena, Cal., a sister-in-law, Mrs. Charles Pfeffer, Gettysburg R. 2, and several nephews and nieces.

No arrangements have been made for the funeral.

Rev. Fox To Preach At Synod Conference

Rev. Howard Schley Fox will address the Synod of Philadelphia on Thursday at its fall conference. He was appointed by the president of Evangelical and Reformed Church to act as the church's representative at this meeting. He will deliver two addresses, one in the morning "Seeing through the Eyes of Christ" and a second in the afternoon, "Working as the Hands of Christ."

The sessions will be held in Trinity church, Philadelphia. Mrs. Fox will accompany the Rev. Mr. Fox.

For A Bigger And Better

GETTYSBURG

This is the first in a series of nine articles by nine representative citizens of Gettysburg on what, in their estimation, are the three most important community projects for Gettysburg.

By DR. CHARLES H. HUBER

In response to your request that I give my idea as to the three improvements most necessary to our town's welfare may I suggest the following:

Mosquito Campaign

A few years ago one of our public spirited citizens, Mr. C. W. Epley, at the expense of his own time, energy, and money carried on an earnest campaign to rid the town of its pestering mosquitoes, an annoyance to our citizens and our many tourists. The results, even with the half-hearted co-operation of our citizens, showed a marked improvement in the situation and added greatly to the comfort of our people.

This year in keeping with a promise made by Burgess C. A. Heiges and the town council a sustained effort was made to remedy the nuisance and a decided improvement was noted all thru the summer. This effort should be continued by all means and our metered streets can furnish the cost.

Street Washer

Second. A street washing machine. Many of us have observed such machines operating late in the evening, after the parked cars have been withdrawn, in the big cities. A column of water under high pressure sweeps the accumulated filth and debris from the middle of the street into the gutters and on to the storm sewers. Such a cleaning at regular intervals would add much to the attractiveness and sanitary safety of our town. The "strangers within our gates" deserve great consideration too as they circulate everywhere and carry favorable or unfavorable reports of the town and people of Gettysburg.

Music Festival

Third: A music festival. I was

much impressed as I listened to the exercises of V-J Day in the College Memorial Field. Bands from a number of the towns of the county gave their separate programs under their own skilled leadership. Then all together, in a great massed band acquitted themselves to the delight of the very large audience. The trained college choir and later on possibly a soloist of national reputation could be added and a musical tradition established that would command wide attention. The college grandstand holding twenty-four hundred people and a portable "shell" for the musicians and soloists to occupy would probably be needed to carry thru the idea.

Gettysburg and Adams county people are well known as an intelligent and cultured folk. Let us continue to improve the tradition.

BULLETINS

Washington, Oct. 23 (AP)—The United States accused Russia today of forcing the "suppression" of an American protest concerning elections in the Balkans.

London, Oct. 23 (AP)—Prime Minister Attlee called today for a review of the use of the veto in the United Nations council.

Prague, Czechoslovakia, Oct. 23 (AP)—Col. Gen. Kurt Daluege, "the butcher of Lidice," was hanged today in the courtyard of Pankrac prison three hours after he was convicted of war crimes charges by a Czechoslovak peoples' court. A last minute attempt to smuggle poison into his cell was foiled. The poison was discovered in one of a dozen cigarettes sent to him.

London, Oct. 23 (AP)—Winston Churchill today denounced Russian policies in what he called the "communized Balkan bloc" and accused the Soviet union of departing from many of the Big Three agreements reached at Yalta and elsewhere.

Washington, Oct. 23 (AP)—John L. Lewis stepped up the tempo of his attack for fresh wage concessions from the federally operated soft coal industry today, whipping out a sharp new ultimatum to Secretary of Interior J. A. Krug.

In typically crisp sentences, Lewis told Krug to meet him in Washington on November 1 — and no later — or face a walkout by Lewis' 400,000 soft coal miners 20 days earlier than the November 20 deadline set previously.

New York, Oct. 23 (AP)—The city's strike-battered economy received an extra lift today as the Railway Express agency abandoned an embargo on outbound shipments of express from New York city to the six New England states. The embargo was imposed Sept. 9 after a general truck strike congested express terminals.

Peiping, Oct. 23 (AP)—An unconfirmed report in the Tientsin Catholic newspaper Social Welfare said today government troops were attacking the important port of Chefoo by land and sea.

Nuernberg, Germany, Oct. 23 (AP)—Franz Von Papen left the Nuernberg jail this afternoon to take up residence within the city in which he was acquitted of war crimes charges. The former diplomat had the assurance of German authorities that he would not be arrested as a Nazi if he remained in Nuernberg until his case was prepared for a denazification court.

New York, Oct. 23 (AP)—Joseph P. Selly, President of the American Communications Association (CIO) announced today that the threatened Western Union Telegraph strike had been postponed one week. (Please Turn to Page 2)

HOPES HIGH FOR SCHOOL NURSING PLAN IN COUNTY

Contributions from several organizations which now total more than \$1,600, have revived hopes for the establishment of a school nursing program in every district in Adams county, and the picture which will be presented to the Adams county school directors at their monthly meeting next Monday night at the court house will be a far different one than was painted at the September session.

Some districts in the county have school nurses. Others do not. The plans were to extend the nursing service to every district in the county. The Tuberculosis and Health association of the county, at its last meeting, voted to give \$1,000 toward the nursing, provided enough funds could be raised from other sources to carry out the planned program in all of the school districts.

At the last school board meeting, this assumed almost the proportions of an "impossible," and the board directed that the TB association be notified that, while it appreciated the offer of the \$1,000, it would be unable to take advantage of the donation.

Now "Probable"

This letter was not sent. Instead, letters were directed from the school board to numerous clubs and civic organizations, with the gratifying result that, including the \$1,000 from the TB association, more than \$2,600 is now in sight for establishment of the county-wide nursing service.

At least \$3,500 will be needed before the project is assured, according to school board officials, but the proposition has been removed from the "impossible" category to the "probable."

Thus far the Moose and Eagles of Gettysburg have voted \$500 apiece to the fund. The Albert J. Lentz Post No. 202, American Legion has voted a "token" donation of \$50 and may give more. The Red Cross is considering a \$500 contribution. The Eagles aerie at Littlestown has voted \$100 and more if needed. From John W. Duttera, secretary of the Littlestown lodge came this letter to the school board:

"I feel sure if this amount is not sufficient and you need more, the aerie will cooperate 100 per cent and give more. We are always willing to do our part for any cause that is to aid in any way to make conditions better in our community or county. The aerie as a whole know this is a very good thing for our children and we will back it to our limit."

TEACHERS TO BE LIBRARY GUESTS

Members of the board of directors of the Adams County Free Library association will be hosts at Thursday and Friday afternoon teas at the main reading room on Carlisle street when the county school teachers, here for the annual Teachers' Institute sessions, will be special guests.

The primary teachers will be guests Thursday afternoon from 3 to 5 o'clock and the secondary teachers at the same hours on Friday. On both days the library will be closed to the public after 3 o'clock and books due either days can be returned Saturday without a fine.

Mrs. Lester O. Johnson, member of the library board, is chairman of the committee on arrangements for the teas. Other board members will be on the reception committee.

Miss Kathryn Oller, the librarian, has announced plans for three special displays of books for the teachers' visits. One display will have to do with books on education and teaching in general. A second will include books on the Bible and religion in observation of National Bible Week and the third display will be of books and pamphlets about the United Nations.

44 Enroll At CE School On Monday

The Adams County School of Christian Education opened its annual fall sessions Monday evening at St. James Lutheran church with an enrollment of 44, approximately 50 per cent above the first-night enrollment for the 1945 school. C. C. Culp, dean of the school, announced today.

Church and Sunday school leaders from Lutheran, Reformed, Presbyterian, United Brethren, Methodist and Church of the Brethren congregations were in attendance with an upturn in the number of students expected next Monday evening. The school sessions will be held each Monday evening through November 25.

The Rev. Harry S. Ecker, Lower Marsh Creek Presbyterian pastor, conducted the devotions at the opening session.

Prankster Nabbed By State Police

State police Tuesday made their first arrest so far this year of a Halloween "prankster" who went too far in his "jokes."

The youth arrested was William Coleman, 20, Gettysburg R. 3, who was charged with disorderly conduct and who, after pleading guilty to the charge, paid a fine of \$5 and costs of \$3.50 before Justice of the Peace Robert P. Snyder.

Coleman was arrested on a complaint of Miss Elizabeth Stull, Gettysburg R. 3, who charged that Coleman and 10 juveniles wired shut the door to her chicken pen.

State police also made several arrests on motor code violations Tuesday. James Edward Dean, Baltimore, was charged before Justice F. E. Coulson, York Springs, with not stopping at a stop sign. He paid a fine of \$10 and costs. Frederick Kuntz, Gardners R. 1, was charged before Justice Martin Walter, Biglerville R. D., with having an overweight truck.

LIONS ARRANGE 'SPOOK' PARADE IN YORK SPRINGS

The seventh annual Halloween parade and Kiddies Frolic will be held in York Springs Saturday evening, November 2, at 7 o'clock by the York Springs Lions club. In case of rain the affair will be held the following Monday evening.

The youngsters will be treated to refreshments by the Lions club at the fire hall immediately after the parade.

Prizes totaling more than \$100 are being offered to the participants in the parade.

The list of prizes follows: Best decorated float, first prize, \$15; second prize, \$10 and third prize, \$5.

Best decorated auto, \$5 and \$2. Best dressed adult, \$4, \$3 and \$2. Most comical adult, \$4, \$3 and \$2. Best dressed parade between the ages of 8 to 16 years, \$3, \$2 and \$1. Most comical parade between 8 and 16 years of age, \$3, \$2 and \$1. Best dressed child under 8 years, \$3, \$2 and \$1.

Most comical children under 8 years, \$3, \$2 and \$1.

Best decorated animal-drawn vehicle, \$5 and \$2.

Best decorated horse or pony and rider, \$2 and \$1.

Best decorated bicycle and rider, \$3, \$2 and \$1.

Most outstanding representation (group on foot), \$7.

The cash for the prizes was donated by the citizens of York Springs and vicinity.

Cops Seek 'Soldier' Who Stole Auto

The search for a man who Monday night forced Wallace Yingling, 45, Taneytown, out of his car and then stole the car from Yingling turned toward New Jersey today with the car said to have been seen in that state.

The car was stolen Monday night by a man said to have been wearing an army uniform.

Yingling told the Gettysburg state police that he met the "soldier" in an inn here after which they drove to the West Gettysburg inn. Yingling said that on the return to Gettysburg the man forced him out of the car and then drove west. The "soldier" was described as six feet two inches tall and weighing 200 pounds. The 1940 Oldsmobile sedan stolen from Yingling bears Maryland license 336451.

Col. Nixon Promoted Gets New Decorations

Col. Thomas A. Nixon, who was General Patton's ordnance officer in the Third Army during the European campaign, was made Third Army Assistant Chief of Staff on October 9, according to word received here by friends.

Now stationed at Third Army headquarters in Germany, Colonel Nixon found upon his return to Germany from a trip to the United States last month during which he visited his native Gettysburg that he had received two new decorations during his absence.

Already possessing the Legion of Merit, Distinguished Service Medal, and the Bronze Star among his decorations from the United States and French and Russian war medals, Colonel Nixon had these two added by Belgium: the Belgian Ordre de Leopold avec Palme, Grade de Officier, and the Belgian Croix de Guerre, 1940, avec Palme.

CARS COLLIDED

Automobiles operated by Warren M. Boyer, Biglerville R. 1, and R. O. Wolfe, New Oxford R. 2, figured in a collision on Chambersburg street at 6:45 p.m. Tuesday, according to a report made to borough police. Damage to the Boyer car was estimated at \$5 and to Wolfe's car \$30, police said. No charges were laid.

FORMER LOCAL MAN HELD ON ARSON CHARGE

Marshall B. Manahan, former operator of a gasoline service station adjoining the Lee Meade Inn on the Emmitsburg road, is scheduled for arraignment this afternoon before Justice of the Peace William J. Stoner, Thurmont, Md., on an arson charge.

Sheriff John E. Millhimes of Adams county will go to Thurmont this afternoon to serve a warrant charging Manahan with illegal conversion of property covered by a chattel mortgage, a charge preferred by officials of the Arentsville National bank.

Manahan was arrested a week ago by Trooper William L. Houck of the Maryland state police on the arson charge, after an investigation of a fire which burned Manahan's automobile on Route 15 about a half mile north of Thurmont the early part of September.

Charge By Bank

The defendant was released after his arrest in \$1,000 bond, furnished by his parents, who reside at Leitersburg, Md.

The charge laid by the Arentsville bank was filed with Justice of the Peace John H. Basehor Tuesday, and alleges that Manahan sold or disposed of seven cows on which a chattel mortgage was held by the bank. Prosecution of the local charge would require the waiving of extradition by Manahan, authorities here said.

Sheriff Millhimes last Saturday held a public sale, under a writ of fieri facias issued by the court here, of the personal property on Manahan's farm near Fairfield, and of the equipment at the service station. A sale of effects covered by a government loan is scheduled this Saturday.

DR. PAULSEN IS SCOUT SPEAKER AT NEW OXFORD

The problems of the present day youth, particularly young people between 15 and 18 years of age, were outlined Tuesday evening by Dr. Bertha Paulsen of the Gettysburg Lutheran Theological seminary faculty at the meeting of the "University of Scouting" held at New Oxford.

Pointing out that "present day youth needs understanding and not condemnation from their parents," Doctor Paulsen urged parents to "remember the problems we had to face in our own youth and our own difficulties of adjustment in order to appreciate the problems of our children."

"Too many parents expect the school to take care of all of the needs of the child," Doctor Paulsen declared, "but due to crowded conditions and lack of sufficient good teachers this is impossible. Little has been done to provide recreational facilities and programs for the 15- to 18-year-old group. Lack of leadership for this age group is our biggest problem."

Urges More Responsibilities
"What recreational facilities there are are mostly of the passive commercial type such as movies, and spectator games which only provide an escape from emptiness. Children of this age need active participation in group life, such as outdoor games, contests, hiking and camping."

She pointed out that the Boy Scout movement had "a great opportunity in serving the young men by providing, through camping and such activities, an opportunity for the child to face real life problems and situations." She urged that the "Boy Scouts be given more responsibilities and tasks that are difficult. Scouts must think of community living and responsibilities."

Among the scouts from Adams county enrolled at the University of Scouting at New Oxford are C. P. Keefer, New Oxford; E. S. Gulse, York Springs; Melvin R. Prosser, York Springs; Rev. George Sheffer, New Oxford; Rev. Ralph Meeley, York Springs; Russell C. Cramer, Joseph E. Miller and David Seymore, McSherrystown; Ernest Carter, Rev. R. M. Everette, Dr. Lewis King, Dr. Joseph H. Ritley and Leo McDermott, all of Gettysburg; Sterling Adams, Gettysburg R. 1; Ross Koons, York Springs; Walter Johns and John W. Caskey, Mummaburg; Rudolph E. Crouse A. C. Rohrbach, Frank Fleishman, Thomas D. O'Brien and Merrill A. Yohe, all of New Oxford; Harold Hartlaub, Leo Murren and Rev. Anthony McGinley, all of McSherrystown.

WAIVES HEARING

John D. Bloom, Charmian, Pa., arrested Tuesday evening by Constable George Hughes on a morals charge, waived a hearing before Justice of the Peace John H. Basehor Tuesday night and was held for court. He furnished \$500 bail. The complainant in the case is a Fairfield girl.

DISCLOSES NAZI SCHEME TO BEAT ROOSEVELT IN '40

Swarthmore, Pa., Oct. 23 (AP) — O. John Rogge, special assistant to the U. S. Attorney General, described what he termed a fantastic Nazi-backed "scheme" designed to thwart the reelection of President Roosevelt in 1940 by having John L. Lewis, president of the United Mine Workers (AFL) come out against him.

In an address delivered at Swarthmore college last night, Rogge said "this scheme involved Herman Goering, a Nazi agent by the name of Joachim Hertel, and William R. Davis, a promoter of the oil business."

In Washington, Lewis declined to comment on Rogge's remarks. Davis, described by Rogge as a peace emissary for Goering in September 1939, died August 1, 1941, after a colorful career.

Other Nazi Efforts
The Justice Department official added that other attempts were made by the Nazis to prevent Roosevelt's reelection in 1936 and 1944. One included the establishment of an "America Committee" in the German foreign office by Joachim von Ribbentrop, Nazi foreign minister recently hanged for war crimes.

Rogge said "the Nazis always preferred the one who opposed President Roosevelt. They preferred in turn Landon, Willkie, and Dewey. They had a strong preference for Dewey. They did not particularly like Willkie, but they felt any president would be better for their purposes than President Roosevelt."

In Topeka, Kansas, Landon said "this whole story sounds to me like the ravings of a lunatic." In addition, he added, "The German-American band denounced me in 1936 as being pro-Semitic. That doesn't sound to me as if the Nazis wanted me to be president."

Dewey, in Syracuse campaigning for reelection as Governor of New York state, withheld comment.

Three Conferences
Rogge said he based his statements on information gathered from captured Nazi documents and interviews with high German officials during more than a month abroad. He quoted Goering and Hertel at length on the alleged Lewis-Davis tie-up in connection with the 1940 election. Hertel recalled three conferences he said Davis had with Goering between September 30 and October 4, 1939.

The Justice official said "Goering remembered his meetings with Davis" and "recalled that they had discussed Mexican oil and using the influence of John L. Lewis to defeat President Roosevelt for reelection in 1940."

Rogge declared "this is the substance of what he (Goering) had to say on these subjects: 'Davis talked to me about John L. Lewis and that one ought to reach an agreement with him. He was the one who was seeing me about oil business in Mexico. He told me that Lewis was not tied up with either of the two major parties but was a free lance as far as political decisions were concerned and was one of the few people who understood Germany's position.'"

"He presented himself as a very good friend of John L. Lewis. He told me that Lewis was very influential; that he was backed by the trade unions; and that he was very important for a positive attitude towards Germany. Davis told me that by the use of his influence on Lewis, he could influence the elections in such a manner so that the reelection of Roosevelt, which, in his opinion, would mean war, would be prevented."

BULLETINS

HALLOWEEN PARTY
A Halloween party will be held in the Mt. Joy parish house, near Barlow, Friday evening at 7:30 o'clock. The Ladies' Bible class is sponsoring the party and all members and friends of the congregation and their families are invited to attend. It is the hope that as many people as possible will wear costumes for the occasion. Prizes will be awarded for the funniest and best dressed persons. The admission for each person is a coin for each year of that person's age. There will be games, free entertainment and free refreshments.

Mrs. Bernice Frock has returned to her home here after spending the past ten days with her sister-in-law, Mrs. Charles Angell, Dillsburg.

Miss Nancy Myers, Gettysburg
R. D., recently returned home following a visit in Philadelphia and York.

Mrs. Anna Frei, Roanoke, Va., is spending several days with Mrs. Blanche Dougherty, Carlisle street.

Margaret Bender, senior regent, presided at the regular meeting of the Women of the Moose Tuesday evening. All members were asked to participate in the Halloween parade next Wednesday evening and are requested to meet at the Moose home on York street at 6:30 o'clock. Dress is optional. care of the Gettysburg Chamber of Commerce, Baltimore street before Saturday. On Saturday the designs submitted will be judged and the winners notified to be ready to put the design on the windows with soap on the night of the parade.

A special invitation was extended by the committee to all fire companies in the county urging them to participate in the parade either in firemen's uniform or in costume. A prize will be awarded the fire company with the largest attendance with Gettysburg excluded from the award.

Suggestions were advanced that a fire company might participate as a "darktown" outfit.

Organizations taking part in the parade were urged to bring with them a banner or sign showing what organization makes up the group so that the watching crowd and judges may easily identify the groups. Prizes will be awarded to the organizations having the most in line and to the organizations with the best and funniest costumes.

Another meeting of the committee will be held Friday night at the Legion home to complete arrangements for the parade, decide the amounts of awards and complete other details of the evening's entertainment.

Ohio Plans Network Of Superhighways

Columbus, O., Oct. 23 (AP)—A new Ohio turnpike committee agreed today that approval by the Ohio general assembly will be the first goal in its campaign to criss-cross the state with 1,000 miles of privately-financed superhighways that would pay off their \$650,000,000 cost by toll charges.

Five toll roads, similar to the famed Pennsylvania turnpike, would be built in three years under the program which a group of 100 engineers discussed in an organization meeting here yesterday.

Among the proposed superhighway routes: it a northern route connecting with the Pennsylvania turnpike in the east and the Indiana state line to the west, running south of Youngstown, Akron, Cleveland, Lorain, Sandusky and Toledo. Distance, 240 miles; cost about \$160,000,000.

All-American May Use Helicopters

Wilmington, Del., Oct. 23 (AP)—All-American Aviation Inc. says it has asked the Civil Aeronautics board permission to operate five helicopter routes to handle passengers, mail and property in the Pittsburgh-Philadelphia-Camden areas.

The airline said yesterday it had asked for two routes to serve the main Pittsburgh post office and four branch offices in the city, the local postal transport terminal and 33 additional western Pennsylvania communities.

Three routes are sought in the Philadelphia-Camden area to serve the general post office, three branch post offices and the Reading postal transport terminal in Philadelphia, in addition to Camden, N. J., and 21 nearby communities in Eastern Pennsylvania and New Jersey.

MORE PRICES TO RISE

Washington, Oct. 23 (AP)—Grocery prices for canned pork and beans and baked beans will go up two to three cents a can, OPA announced Tuesday. The agency allowed an immediate increase in ceilings for processed beans because of higher labor and other costs. The increase will reach consumers, OPA added, when the first cans of the higher priced food reach retail stores.

Philadelphia, Oct. 23 (AP)—John Denton, Swarthmore college end, has been selected the college football player of the week by the Robert W. Maxwell Memorial Football club.

'BIKE' CONTESTS BEGIN SATURDAY

Gettysburg and Arendtsville will be sites of Boy Scout bicycling contests with troops from Gettysburg, Mummastown and Arendtsville scheduled to hold contests Saturday afternoon at 2 o'clock in those communities.

Springs avenue is to be roped off Saturday afternoon for the contests to be held by the Gettysburg scout troops while Arendtsville is planning to rope off a street for contests by the Mummastown and Arendtsville troops.

The winners of first, second and third places in each of the troop contests will compete November 2 for the Black Walnut scout district title.

Each of the scouts will go through three tests in the efforts to determine the winner. First test will be an inspection of the scouts' "bikes" to determine the condition, adjustment and safety equipment of the vehicles. The second part of the contest will be a series of events designed to test the skill of the rider in handling the bicycle and the third part of the contest will consist of questions pertaining to the proper care and use of a "bike" as well as safety rules and highway traffic rules.

Merchants of the communities will sponsor scouts in the contest, with the names of the merchants and the scouts they sponsor to be named in the near future. While scouts without sponsors can enter the contest, scout officials urged the youths to secure sponsors in order to interest more adults and individuals in bicycle safety and the scout movement.

Scouts who do not have bicycles are permitted to borrow vehicles for the tests. District Commissioner Jack P. Cessna announced, but no more than one entry will be permitted to use any one bicycle.

Commissioner Cessna today urged scoutmasters to turn in the list of members from their troops taking part in the contest. No scout, Cessna warned, may enter the events without completely filling out an application slip which is given to the scouts along with literature concerning proper care and handling of "bikes" as soon as the names of the troop members participating is turned in to the district commissioner.

Special Services At Trinity Sunday

The Festival of the Reformation will be celebrated in Trinity Evangelical Reformed church on Sunday with two special services. The Festival service will be held at 10:30 a. m. At the gradual the Senior choir will sing a hymn written by Ulrich Zwingli, the founder of the Reformed church, "Guide O God, Thy Chariot Now." The sermon theme will be "Conformer or Trans-former."

The Festival vespers at 7 p. m., will take the form of a service of music to be rendered by the Senior choir of the church. Elmer Yoder, an elder of the congregation, will be in charge, conducting the service of worship. Anthems to be heard during the service will be: "Make A Joyful Noise" Simper; "Turn Ye Even unto Me" Harker; "Praise ye the Lord" Maunder; "The Heavens are Telling" Gounod; "O Be Joyful All Ye Lands" Spence and "Day is Dying in the West" Speaks. Mrs. Dorothy Little will sing as a solo "The Distant Chimes." Messrs Donald E. Myers and John B. Kendlehart will sing the duet, "Sweet the Moments" Solly. The congregation will unite in the singing of old familiar hymns.

COUNTY CAGERS ORGANIZE LOOP; NEED ONE TEAM

Organization of an Adams County Independent Basketball league was completed Tuesday evening at a meeting at the fire engine house.

Seven teams have joined the loop and another team is being sought to round out an eight-club organization.

The following teams have joined: Biglerville American Legion, Golden Tornado, Gettysburg Redbirds, Gettysburg Commuters, Third Ward, Barlow and Arendtsville.

Chester Shriver, Barlow, was elected president and Dick Hess, Gettysburg, was named secretary-treasurer.

Start November 18
It was decided games will be played Monday and Thursday evenings starting November 18. Each team will play 21 games during the season and the title will be decided by a round-robin playoff at the conclusion of the regular campaign. All games will start at 8 o'clock.

Teams are permitted to have a roster of not more than 12 men, and all must be residents of the county. Ten minute quarters will be played. Referees will be selected by the league and will be paid a fixed fee.

Contests will be played on courts at Biglerville, Barlow, Arendtsville and Gettysburg.

Any team seeking to join the circuit as the eighth club is asked to contact a league official or to have a representative at the next meeting which will be held at the fire engine house Monday, October 28, at 7:30 o'clock. Each team will be required to post a \$5 forfeit at the next meeting.

Ramblers Surprise Hockey Followers

(By The Associated Press)

One of the early season surprises of the American Hockey league is the performance of Coach Lynn Patrick's New Haven Ramblers.

The Ramblers, who finished last in the circuit's eastern division last season while operating under the name of the Eagles, are currently only one point behind the unbeaten Hershey Bears, the eastern sector's leader.

Composed of former and prospective members of the New York National Hockey league Rangers, the Ramblers have won three games while losing one and tying another. The Ranger farm club defeated the St. Louis Flyers, 6-3, last night in the only game played in the circuit.

Admits Commercials May Be Offensive

New York, Oct. 23 (AP)—Apparent criticism directed toward radio from numerous directions over how it conducts itself as an advertising medium have gotten under the skin; so much that one network boss didn't mince words in condemning "excesses" and in offering a remedy. Another backed him up.

It was William S. Paley, chairman of the CBS board, who so outspokenly told the Chicago convention of the National Association of Broadcasters that it was no one's fault "but the broadcaster's."

As he put it, there was "too high a percentage of commercial copy or material which is irritating, offensive, or in bad taste when projected into the homes of America."

VET NYU TEAM WILL BE HOST TO BULLET 11

Having already passed four difficult assignments in gaining two victories against as many defeats, the Gettysburg college football team will find no let-up this Saturday afternoon when New York university will be met on the university gridiron, Ohio field, in the Bronx, New York city.

Saturday's tilt, which starts at 2 o'clock, will be the first meeting between the Bullets and Violets.

Once again it will be a comparatively green Bullet team meeting a well-manned and vastly more experienced aggregation.

The huge N.Y.U. squad includes 16 lettermen from last year, five from the 1941 squad in addition to a dozen who had previous experience on Violets teams. Eighteen of the squad members go over 200 pounds while 14 are over six feet tall.

N.Y.U. has played three games this season, having won from Brooklyn college, 19-8 and the University of Rochester, 6-0, while losing to Rutgers 26-0.

Dudley Continues Best Ground Gainer

New York, Oct. 23 (AP)—Bill Dudley, star Pittsburgh Steeler halfback, continues to pace the National football league in ground gaining according to statistics released by the league today.

Dudley, who took over the leadership from Frank Filchick of the New York Giants a week ago, picked up 133 yards in 17 tries against the Green Bay Packers Sunday to jump his total to 369 yards in 73 attempts for a 5.1 percentage.

The Steeler star also paces the circuit in pass interceptions and is tied with Ray McLean of the Chicago Bears in punt returns. Dudley has intercepted five passes and returned the ball 101 yards. The one-time Virginia star has returned eight punts for 105 yards, while McLean has brought back six punts for 86 yards.

The punt return leaders are computed on an inverse grading system based on number and average distance returned. Dudley's average is 13.1 and McLean's 14.3.

U. S. C. S. SEEKS FIREMEN

Jesse E. Snyder, local secretary of the U. S. Civil Service commission today announced that the commission is planning to hold examinations for positions as stationary fireman, low pressure, at from 93 to 96 cents per hour. The posts are to be at Letterkenny and the Carlisle Barracks. Applicants must possess from six months to a year of experience in firing and ordinary maintenance and repair of steam boilers. Further information is available from Mr. Snyder at the post office here.

BEVIN SPEECH FINISHES U.N. PRELIMINARIES

By J. M. ROBERTS, Jr.
(AP Foreign Affairs Analyst)

After a year and a half devoted largely to maneuvering for position, in which the nations have made greater use of public speaking than of actual negotiation, the time has come which should determine whether they have actually developed a will for settlement of major problems.

Ernest Bevin's speech yesterday, which turned out to be more of a defense of the British Empire than a statement of British overall policy such as had been expected, was the last of the Big Three foreign salos begun by Secretary Byrnes at Stuttgart early in September.

Aside from taking the same position as Byrnes against continued one-way concessions to Russia, and in calling for either fulfillment or revision of the Potsdam agreements, Bevin spoke in the main of Britain's conduct in imperial matters. He was more gentle with the Russians than Byrnes, but rejected the idea that Britain's role is one of mediation.

Russia's Strategy
As the United Nations Assembly, the Security Council, the Foreign Ministers, the Atomic Control Commission, the Social and Economic Council and all the other agencies come together in one place, the various attitudes, expressed or implied, seem to be:

Russia—To appeal directly to restive peoples everywhere, using the various meetings as sounding boards for spreading her ideology; to work for general peace simultaneously with and after seeing how far she can strengthen her own position, but not before.

Britain—To escape the complete loss of spheres of influence which have meant almost as much to her as the actual components of her empire, yielding where she can but not to the point of exposing her vital; to work toward general peace but not to be caught out on a limb if it doesn't work.

Some Qualifications
The United States—To carry on a crusade for democracy and economic development on a world-wide basis, cooperating with Russia and Britain where possible but in opposition to them where necessary; to avoid war, but also to establish bulwarks from which to fight the spread of Communism.

The small nations—To have their relations with the big nations judged.

Each of the teams will play 30 home games and 30 away with the season opening Friday, November 1 when the New York Knickerbockers visit the Toronto Huskies.

The following night eight clubs will swing into action with the New York Yankees at Chicago, Washington at Detroit, Boston at Providence, and Pittsburgh at St. Louis. On Sunday, November 3 Toronto will play at Cleveland, Philadelphia, the eleventh club, won't get started until November 7 when it entertains Pittsburgh. The five month regular campaign will end March 30 with Boston at Cleveland.

Two divisions have been set up with six teams, including Philadelphia in the eastern half and five in the west.

New Wilmington, Pa., Oct. 23 (AP)—Westminster college today announced a 27-game basketball schedule including an appearance in New York and a game with Harvard University to be played in Pittsburgh.

Rivalry will be resumed with Washington and Jefferson, Thiel, Waynesburg and St. Vincent, all of whom dropped the game during the war.

Last year Coach Grover C. Washabaugh's team won 16 and lost 5. This year 54 men are out for the squad.

TEACHERS ASK PUPILS RETURN TO CLASSROOMS

Rankin, Pa., Oct. 23 (AP)—Rankin borough school teachers, on whose behalf 1,200 high school and grade school pupils went out on a "sympathy strike," appealed to the children to return to school today.

The appeal was issued last night by the Rankin Teachers association which has represented the instructors in their demands for a \$400 annual wage increase.

The student walkout occurred at noon Monday, less than four hours

ed without regard for military or economic strength, but on the basis of right.

This outline is of course subject to many qualifications. The United States is playing a far higher-pressure game of international politics than it suggests. The imperialism which Britain is trying to preserve is vastly changed in spirit since the days of the old trading companies.

A good argument can be made that Russia, regardless of what one may think of her methods, is sincerely striving toward the betterment of man's living conditions. Some small nations, already trapped, like some men on relief during the depression, don't seem to be striving too hard for individualism.

At Pittsburgh, two teachers' groups asked that a demand for a \$600 yearly salary boost be submitted to arbitration by a seven-member citizens' panel.

AWFUL RHEUMATIC PAIN LEFT MAN'S BODY IN 8 HOURS

"For years I had rheumatic pains in the muscles of my shoulders, legs and ankles, which finally got so stiff, sore and painful that when I walked I would flinch with agony. I got R.H.U.-AID and started taking it, and the rheumatic pains began leaving my body in eight hours. Now the pains are gone from my muscles entirely. I feel like some other person, and I praise R.H.U.-AID to the sky." This is a genuine testimonial from a man living right here in this vicinity.

High School Empty

James J. Butler, president of the Teachers association, said approximately 75 per cent of the almost 800 pupils in the three grade schools returned to classes yesterday.

But in the high school, teachers went through the motions of conducting classes in almost empty classrooms. It was estimated only 35 of the 425 high school students were on hand.

Meanwhile, at Redstone township near Uniontown, 11 teachers remained on strike to enforce a demand for a \$400 salary boost. A spokesman for the teachers said yesterday there was "no hope" for arbitration to settle the two-day-old dispute.

The teachers said they did not believe the school board could meet the wage increase demands, but they hoped the money would be derived from a state emergency fund. The walkout has given more than 3,200 pupils a "holiday" since October 11.

At Pittsburgh, two teachers' groups asked that a demand for a \$600 yearly salary boost be submitted to arbitration by a seven-member citizens' panel.

TWENTY-FIVE YEARS AGO

Local Teacher Weds in Hanover:

Guy Wolf, teacher of commercial branches in the Gettysburg high school, was married to Miss Elsie Basehoar, former teacher in the Hanover high school, at the parsonage of St. Matthew's Lutheran church, Hanover, on Thursday evening by Rev. Ralph H. Bergstresser.

Child Takes Flight: Three-year-old Jack Cessna had the distinction of being the first baby in Gettysburg to take an airplane flight. On Sunday Mr. and Mrs. C. P. Cessna and son, Jack, and Mr. and Mrs. H. A. Crouse, of Gettysburg, and Mrs. Joseph Sheely, of Baltimore, motored to Frederick, Maryland, where they were guests of Aviator E. W. Cleveland and family, of Houston, Texas. While there Mr. and Mrs. Cessna and son took several flights in Mr. Cleveland's plane.

Dorsey Rebert Married in York: Minnie R. Haar, daughter of Edward Haar, of Abbottstown, and Dorsey L. Rebert, son of Mr. and Mrs. L. M. Rebert, McKnightstown, were married in York Friday night at 8 o'clock, by Rev. O. P. Schellhammer, at his home. They were attended by Mr. and Mrs. H. B. McCleary, of near York. Mr. Rebert is one of the proprietors of the City Garage here.

Legion Auxiliary in First Meeting: Arrangements were completed Friday evening by the petitioners for the Woman's Auxiliary charter in connection with the local American Legion post when twenty women met with a committee of the Legion in the post rooms. A temporary organization was effected with the election of Mrs. Robert C. Miller, chairman, and the appointment of Miss Ruth Deardorff, treasurer and secretary.

Mothers Form Welfare Club: An important step in the development of welfare work in Gettysburg was taken Friday afternoon in the lecture room of St. James Lutheran church when the Mothers' club of the Child Conservation League of America was formed.

Mrs. Henry Downey, a national organizer, gave the preliminary address. One of the outstanding features of the league to be conducted once each week is the story telling hour for all children between the ages of three and fourteen.

The following officers were elected: President, Mrs. M. K. Eckert; vice president, Mrs. F. R. Peckman; secretary and treasurer, Mrs. J. Donald Swope; press reporter, Mrs. M. Armstrong Ziegler.

New Bus to Hanover: Amos H. Butt has placed a newly made body on his motor bus which plies between here and Hanover. The body, made by William Welkert, of McKnightstown, was placed upon the chassis of his former touring car. It contains four seats, each capable of holding five persons.

Issued License: A marriage license has been granted McKinley Showers, Menallen township, and Sadie Blanche Myers, Latimore township, by Clerk of the Courts J. R. Hartman.

Soon Run Bus to Capitol City: D. J. Forney, proprietor of the National Garage, received a certificate from the Public Service Commission, Harrisburg, Monday, evidencing the Commission's approval of the establishment of a bus line between Gettysburg and Harrisburg. The certificate comes as the conclusion of a long fight with the Philadelphia and Reading railroad, which opposed the passenger and freight line which Mr. Forney will operate.

Church Wedding at Emmitsburg: At a nuptial high mass performed in St. Joseph's church, Emmitsburg, Simon S. Stock, son of Mrs. Sarah Stock, Baltimore street, was married Wednesday morning at 8 o'clock to Miss Margaret Favorite, daughter of Mrs. Mary G. Favorite, of Emmitsburg. Rev. Mark Stock, of Gettysburg, performed the ceremony.

Today's Talk

THE LAMP OF EXPERIENCE

When we learn something it becomes a light to us. Experience is that light. We avoid pitfalls into which we have blundered. Thereafter this light becomes our guide, or warning, to steer us away from that into which we blundered unthinkingly.

And we hold this light up to others, but all too often other people wish to gain their own experience in their own way. Perhaps it is just as well, for then they remember more easily. Telling the child that it will burn its finger, if held to a hot stove, has little meaning until it tries it—and learns. Then the light of experience stays forever before that child.

We are forever probing in the dark for ideas, new meanings, and for a revelation of our doubts that aid us. We are better discoverers in mature life than in youth. The youth, having not yet lived, says he needs no such light. Later on he learns that it is essential equipment!

Our hurrahs are to the veteran, for he holds the lamp of experience high. It has guided him to every victory.

Said Patrick Henry: "I have but one lamp by which my feet are guided, and that is the lamp of experience. I know of no way of judging of the future but by the past." If a few of our statesmen today took this quotation to heart, the light ahead for us all would be a brighter one. You can throttle the way ahead of a great people for but a brief period! The lamp of experience points only to freedom, for those thus enslaved.

You cannot regiment a free people. No matter what the emergency or the crisis called upon to face, if let alone, the people will study and work it out. It has ever been so. The ship in distress at sea cancels its call for help as the storm subsides. Experience is the great teacher.

We do not need to live in the past, but we can keep learning from the past. We can keep our eye upon the lamp of experience and profit from what it reveals.

Tomorrow Mr. Adams will talk on the subject: "Adult Education"

News Of Interest To Upper Communities Of County

Huge Crowd Expected For Mardi Gras Celebration At Fair Grounds Oct. 31

Halloween will be celebrated in style at Arendtsville this year with nearly everyone in the county expected to make the apple city their mecca for fun and frolic October 31.

LeRoy Zeigler, general chairman of the committee in charge of the Halloween fun festival—the Arendtsville Fire company's first Mardi Gras—has announced a program for the big night at the Arendtsville park that will please all comers, young and old.

On the grounds for the funmakers will be the outstanding attraction of upper Adams county commercially—the apple. Bushels and bushels of the succulent fruit have been obtained for those who wish to eat and for those who prefer their apples in liquid form there will be gallons and gallons of cider.

Parade And Prizes

Novelties and noise makers will also be distributed to the revelers in order to assist in making the Arendtsville Mardi Gras as enjoyable and hilarious as the original Mardi Gras of New Orleans.

The visitors of the Mardi Gras will furnish some of their own amusement, with the committee in charge hoping that everyone shows up in costume—the more hilarious the better.

A parade will be held through the grounds for the mummies and prize contests are to be held for the funniest, best looking and most unusual costumes.

Dancing, Movies, Magic

In addition to the natural merriment provided by those who heed the invitation to dress up and join the party, excellent professional entertainment is to be offered for the night.

Russ Nace and his Spring Garden dance orchestra of York have been engaged to make the welkin ring for the enjoyment of the dancing couples. The orchestra will be featured in pavilion 1 at the fair grounds.

Those who can drag themselves away from the dance floor will find at pavilion 2 Professor Dumbbell who will entertain with feats of magic.

Square Dancing Too

During the course of the night

Professor Dumbbell will present three complete shows so that those who witness the magic may have an opportunity to visit the other pavilions and then return for the professor's act.

On pavilion 3 motion pictures will be shown for those whose main delight is the cinema. In keeping with the spirit of the occasion the committee has secured a hilarious comedy, "Topper Returns" which features Roland Young, Joan Blondell, Carole Landis, Patsy Kelly, Dennis O'Keefe, Billie Burke and Rochester. In addition to the feature picture there will be short comics. The complete film program will be shown twice.

For lovers of old time square dancing pavilion 4 has been set aside as their site. A well known square dance orchestra will pour out the tunes for the dance that is imbedded in American folklore and the strains of "swing your partner" will vie with the other features of the Mardi Gras to attract the visitor's interest.

Giving Away Car

At pavilion 5 other entertainment will be in progress throughout the night.

Members of the committee are urging everyone who comes to Mardi Gras, at which a brand new Chevrolet will be given away, to come in costume. While a costume is not required "you will have lots more fun if you dress for it," firemen say.

Interesting News Of Upper Adams Countians And Their Enterprises

County Turkey Crop Is 'Average' Size; Costs Up

Adams county should have the usual number of turkeys to grace the Thanksgiving and Christmas tables but the price—still admittedly only a guess in the dark—will probably be higher than last year. N Upper Adams county turkey growers surveyed today disclosed that they are raising about the usual number of the fowls and according to their belief other turkey growers in other sections of the county are also producing about as many of the big white-meat birds as before.

That would give the county a turkey population of about 30,000 which should be enough to grace most of the tables of those in the county who like the traditional meal for Thanksgiving.

None Moving Now
Estimates on the price turkeys will bring when the day comes to turn the birds from eaters into edibles ranged from 45 cents to 60 cents a pound live weight with the growers frankly admitting they are guessing on the final price.

Turkeys were selling at 50 cents a pound and higher during the meat shortage but with the release of price control on such meats as beef, veal and pork the turkey market dropped with practically no birds

moving at the present time, according to some growers. They believe however that by Thanksgiving the nation will resume its eating of the fowls and the price will have crept up to a point where the grower can make a small profit on his investment.

Feed Costs Up
Growers point out that feed prices have jumped over 25 per cent during the past year. Those surveyed reported their feed costs averaging from \$100 to \$110 a ton which they pointed out was a tremendous increase over the cost of feed last year.

Last Thanksgiving the prices of live young turkeys ran from 40 to 42 cents a pound and dressed turkeys sold for 55 and 56 cents a pound but with the feed increasing up to \$25 a ton the growers point out they have to have more this year just to break even.

Roy Heckenluber, who operates the Summit Poultry and Fruit farm near Arendtsville, reported today that he has about 5,000 turkeys ready for the season at his farm. He expects to sell about half during Thanksgiving and the remainder at Christmas. Paul Osborn, Aspers R. D., has the usual 2,500 and George W. Schachle, Biglerville R. D., has his usual 3,000. Luther Cluck, Quaker Valley, has about 1,200, his usual number. Among the largest in the county, the four growers usually raise one-third or better of all of the turkeys raised in the county.

New Corn for Poultry—Start poultry on new corn gradually, especially the layers, and continue feeding other grains and mash for a balanced diet.

Prune Cabbage Roots—Pruning cabbage roots by pulling up the plants slightly, or by spading or close cultivation, checks growth and prevents bursting.

IS BEST YOUNG FARMER IN U.S.

Kansas City, Oct. 23 (AP)—William G. Carlin, Coatesville, Pa., was chosen the nation's outstanding young farmer Tuesday at the National Victory convention of the Future Farmers of America.

The 20-year-old Coatesville youth was selected from 200,000 boys studying vocational agriculture in the nation's high schools to receive the "Star Farmer of America."

He was the second Pennsylvania boy in the 19-year history of the organization to receive the coveted honor. Clayton Hackman, Jr., of Schaefferstown, Lebanon county, won the honor in 1936.

In addition to receiving the top award, Carlin also received the title of "Star Farmer of the North Atlantic Region," thus keeping that award in the family for the second straight year. His 21-year-old brother, Walter D. Carlin, Jr., won it last year. The North Atlantic region covers all states north of Virginia and east of Ohio. Both of the Carlin boys are members of the Downingtown (Pa.) high school FFA chapter.

Accompanying the top award is a check for \$500, which will be presented later today by Wilber A. Cochel, former editor of the weekly Kansas City Star, on behalf of the Pioneer corn belt publication.

Young Carlin, in partnership with his brother, Walter, made an outstanding record of turning 190 acres of run-down farm land into a productive tract. His accomplishments in soil rehabilitation have

Offer Course In Dairy Feeding

In response to a need expressed by Pennsylvania farmers for additional organized information, a new correspondence course on "Dairy Cattle Feeding" has been included in the 50 such courses now offered by the Pennsylvania State college.

Prepared by A. L. Beam, professor of dairy husbandry at the College, the course consists of five lessons. The information includes feed nutrients, digestion of feeds, characteristics of various feeds and feeding standards, the use of feeds, and terms used to describe feeds. Feeding rules for formulating grain mixtures also are given.

This course, like others offered in agriculture and home economics, is free to residents of Pennsylvania. Enrollment may be made with J. E. McCord, in charge of correspondence courses in agriculture and home economics, Agricultural Education Building, State College, Pa.

been cited as examples for farmers throughout the country.

State Peach Crop Was Near Average

By making a substantial advance during favorable September weather, the Pennsylvania peach crop this year came very close to average production and is now estimated at 1,716,000 bushels, according to a federal-state survey, announced by the state Department of Agriculture. This was an all-time record year for peach production in the United States, and the Pennsylvania crop would have been larger if more favorable weather had prevailed last

spring, observers said. The United States' crop of 85,782,000 bushels was five per cent more than the previous record in 1945 and 43 per cent above average.

The Pennsylvania peach crop this year totaled almost 500,000 bushels more than in 1945, and is only 17,000 bushels under average. The total compares with 2,407,000 bushels produced in Virginia, 1,955,000 in New York, 1,258,000 in New Jersey and 511,000 bushels in Maryland.

GENEVA BACK'S 49 POINTS TOP STATE SCORERS

By HERB AUFSCHUL
Philadelphia, Oct. 23 (AP)—Geneva college's Larry Bruno had his eyes on a scoring record today with a total of 49 points in five football games.

The swift grinder from the Beaver Falls school already has tallied more points than were recorded all last year by the winner of the Pennsylvania scoring derby, Penn State's Joe Tepic. Tepic scored eight touchdowns for 48 points.

Bruno ran wild in Geneva victory over Bethany, scoring all three touchdowns in a 19-0 triumph. This gave him eight tee-dees and one extra point.

Mule Stars High
Eddie Sikorski, fast-moving Muhlenberg back, took over second place by romping to three touchdowns against Swarthmore Saturday, giving him six scores and 36 points.

Pennsylvania's Skippy Minisi tallied once against Virginia to move into a three-way deadlock with teammate Eddie Allen and Jack Crider of Muhlenberg. The trio were tied for third place, each with five touchdowns and 30 points.

Another member of Muhlenberg's high-scoring combination, end George Bibighaus, took over sixth place with a 24-point total. Bimbo Cecconi of Pitt and Bob Henderson of Thiel were deadlocked for seventh with 22 points each.

Tom Lacey of Dickinson, again came in for high praise for his play at guard. It was his tackle that gave Dickinson a 2-0 victory a week ago. Last Saturday he blocked a kick to start the Red Devils on their winning ways.

End John Denton of Swarthmore, winner of the weekly Maxwell club award, and end Frank Jenkins of Penn came in for their share of praise.

It's not that we don't love our work!

WE DO LOVE our work—but these days, we almost dread leaving home and going to our showroom.

So many people want new Packards, and there are so few coming through!

But you can't build cars without materials!

The factory is straining every effort to get more parts and material so production can be increased.

We're doing our best!

Some cars have been shipped with wooden bumpers, some without window regulator handles. This costs the factory a lot of money, for it means that replacements must be shipped and installed later.

Under such difficulties, it's a wonder the folks at the factory have done as well as they have. This year, compared to the same period of 1941, Packard has built a higher percentage of cars than the industry as a whole.

We don't dare predict!

Our customers have been so patient that we'd like to sound some optimistic note.

IN MEMORIAM

In loving memory of our dear son and brother, S. Sgt. Winfield O. Smith, who was killed in action Oct. 23, 1944.

Gone is our only son, who made our lives worthwhile.

Gone is the lad whose lips would ever smile.

We shall remember, whatever may befall.

He was our soldier, who answered duty's call.

By his parents and sister, Mr. and Mrs. George Smith and Caroline.

USSR Barbs May

Doom Their Loan

Washington, Oct. 23 (P)—Russia's request for a \$1,000,000,000 American loan appears doomed today unless Soviet leaders cease their criticism of United States Foreign Economic policy.

Similarly, Czechoslovakia and Poland may find it difficult to win approval of their requests for loans totaling \$850,000,000 from the American-dominated world bank.

Secretary of State Byrnes himself made clear at his news conference yesterday that the United States will limit its future financial aid to friendly countries who do not brand dollar credits as instruments of economic enslavement.

Byrnes' pronouncement was designed on the surface as a reply to numerous questions why this government last week suddenly cut off a total of \$90,000,000 in American aid to Czechoslovakia.

Paraguay has only 300 miles of public railways.

CHARGE GUFFEY WAS INVOLVED IN NAZI PLANS

(By The Associated Press)

Oil for Hitler before the European war was injected into Pennsylvania's political campaign today with a statement by Republican State Chairman M. Harvey Taylor that U. S. Senator Joseph F. Guffey used his influence "to keep Mexican oil flowing into Nazi Germany."

Sensor Guffey, Democratic candidate for a third term, promptly denied Taylor's statement.

Taylor, in a statement issued yesterday, said that in 1937 Guffey was "behind a gigantic and fabulously successful scheme to funnel expropriated American oil from Mexico to Hitler's military juggernaut in preparation for the historic invasion of Poland and other defenseless European countries."

Guffey declared in a statement released by Democratic state headquarters that "this is an old and threadbare story that has been refuted and proven false many times."

He added "the Republicans seem to be working on the Hitler theory that if they repeat a lie often enough the people will believe them."

Taylor said that his statement was based on an investigation and report made to the Republican state committee by Ray Sprigle, Pittsburgh newspaper writer.

The Republican state chairman said that Sprigle's "Story of Guffey's oil dealings is fully authenticated with names, places and dates."

Guffey said "I had about as much to do with any such 'plot' as Governor Martin himself. This is just another red herring, intended to make the people forget that Governor Martin has done nothing, during his entire four years in office, for the people of Pennsylvania."

American Crossroads

Brig. Gen. Daniel B. Strickler, Republican candidate for lieutenant governor, said in an address prepared at Danville today that "America is standing at the cross roads with one road leading to regulated security and the other to free opportunity under our free enterprise system."

He declared that "our decision in the coming election will determine in a large measure the road we are to take."

Philip Buccell, executive director of the Republican Veterans League, predicted today that 80 per cent of the state's veteran vote would go Republican.

He said "every conceivable political barometer indicates that veterans are thinking Republican after bumping head-on into the homecoming disillusionments of Democratic government."

Still idle were 400 and 550 work-

Liquor Dealers End Convention

Harrisburg, Oct. 23 (P)—The Pennsylvania Liquor Dealers Association named Nicholas Cortez, Hazleton, as president to succeed Martin I. Brown, Johnstown, at the group's annual two-day convention closing here yesterday.

Other officers named were John Gaston, Lehigh, first vice president; Jake Kram, Pittsburgh, second vice president; Grant Peterson, Williamsport, third vice president; Joseph Lebrano, Upper Darby, fourth vice president; Emmet McGinn, Philadelphia, secretary; Joseph Borls, New Brighton, treasurer, and Hayes Clark, Eagle, Chester county, as sergeant-at-arms.

HOME BUILDING PLAN PROPOSED

Pittsburgh, Oct. 23 (P)—Insurance companies would be invited to invest in low-rent housing developments in Pittsburgh under a plan proposed to city council Monday by Councilman Edward J. Leonard.

Leonard said the shortage of homes for rental was forcing veterans to buy houses at inflated prices and suggested that council sponsor state legislation permitting the financing of new building.

"The majority of veterans want to rent homes, and the insurance companies are seeking to invest money in developments which would rent at \$45 or \$50," said Leonard.

"The companies can build at a room cost far below what small builders can offer."

If veterans were encouraged to rent now, Leonard declared, they would be able to conserve GI credit to buy homes later, and thus strengthen the real estate market.

"There are too many profits before a home gets into the hands of

the buyer," said Leonard, who is also chairman of the Allegheny county housing authority. "There are houses being sold for \$15,000 that are not worth \$8,000. The builders are taking the life savings from people."

PARENTS TO BE SCOUTS' GUESTS

Four scouts will receive awards at the annual Parents' night program to be held by Boy Scout Troop 85 at New Oxford Friday at 7:30 p.m., the troop committee announced today.

More than 100 are expected to crowd the first Lutheran church for the annual event. Scheduled to receive second class badges at the affair are Eugene Jones, William Snyder, II, and Larry Gable while the first class badge will go to Daniel Anderson. Scoutmaster Merrill Yohe is scheduled to present the first class badge while Assistant Scoutmaster Philip Alwine is to invest the second class scouts.

The program will begin with two

"pre-opening" games after which the assembly will sing "America, the Beautiful" and the Rev. Archie Rohrbaugh will pronounce the invocation. Following the scout opening conducted by the troop, C. P. Keefer, chairman of the troop committee, will speak briefly.

A pioneering demonstration by the troop, songs, group games led by Field Executive Sneed Clift, a talk by Scoutmaster Yohe, movies on wild life, scout closing, and refreshments are also scheduled for the program.

Extensive sulphur deposits in Texas and Louisiana are covered with quicksand and cannot be mined by ordinary methods.

Bananas account for 61 per cent of the exports of Honduras.

SAYS GOP MAY USE DEPRESSION TO WIN IN '48

(By The Associated Press)

U. S. Senator Francis J. Myers declared last night that the Republican party is "so anxious" to win the presidency in 1948 that they are "toying with the idea of creating a depression."

Speaking at a Shamokin political rally Myers said the Republicans "know the depression of 1929 helped to lick them in 1932" and warned that the G.O.P. may now plan to "turn a depression to their advantage instead of disadvantage."

Tug Of War

Urging the re-election of U. S. Senator Joseph F. Guffey, and a large Democratic congressional delegation from this state, Myers said that if the Republicans win "a working majority" in the Congress "the tug of war between the Truman administration and the reactionaries who lead the Republican party will undoubtedly get so intense that it is sure to invite chaos and a collapse in our economy."

Democratic State Chairman J. Warren Mickle said in a statement today that Governor Martin, in his desperation, is trying to frighten the people with a warning against "invisible government."

Mickle declared that Martin's recent reference to a "fifth column" raised an interesting question. He said it was the Republican fifth column in Congress that worked hand in glove with the communists to fight President Roosevelt's efforts to rearm and prepare for America's defenses prior to Pearl Harbor.

Cite Macing Again

He also asserted that the Democratic party is now fighting against the Republican fifth column in Pennsylvania that is destroying respect for law and order by its scoffing disregard for the statutes.

Mickle cited Martin's refusal to take action against the chairman of the milk control commission for violation of the anti-macing laws, as fifth column activity.

He also charged Attorney General James H. Duff, Republican candidate for governor with failing to act in the same case, declaring "no one can have respect for the laws of the state if the state's chief law enforcement officer won't enforce them."

Furs And Dresses Stolen In Bedford

Bedford, Pa., Oct. 23 (AP) — About \$15,000 worth of furs, dresses and costume jewelry was stolen from the Barton Fashion shop here over the week-end by thieves who jimmied a window in the rear of the store.

The burglary was one of the largest in Bedford history. Police said they were without clues.

Emmitsburg

Tuesday, October 8, was a day of great suspense and concern for the freshman class. Following instructions given by the upper classes on the preceding day, the first year girls arrived at school wearing a coil of five plaits, each tied with a different colored ribbon. The boys were presented with large pink crepe paper ties, giving them a distinct individuality. Various tasks about the school were performed by the freshmen as ordered by the older students. However, the climax of the initiation occurred at an assembly of the student body in the afternoon. This gathering, presided over by Anna Marie Boyle and Edward Houck, both of the junior class, enabled each freshman to display his or her talent by songs, piano selections, public speaking and dances. The program ended with a peanut-rolling contest for the boys.

After the formal ceremonies of initiation into high school, refreshments were served in the cafeteria, bringing to a close the "day of initiation."

The Student Council met October 9. The principal business was the appointment of boys as assistants to the student councilors. Guy Baker, a sophomore, and Joseph Topper, a junior, were selected.

Mummasburg

Mummasburg. — Charles Lawver, who spent a ten-day leave at the home of his parents, Mr. and Mrs. Donald Lawver, has returned to Scott Field, Illinois, where he is stationed.

Mr. and Mrs. George Folden, Mr. and Mrs. Fletcher Folden and Mrs. Jamison, of near Fayetteville, spent a day recently at the home of Mr. and Mrs. Archie Secrest, at Neumannstown.

Constance and John Slonaker and Mrs. Louise Slonaker, of Baltimore, were recent visitors at the home of Mrs. Florence Wilson.

MEAT SCARCE, GAME KILLED

Harrisburg, Oct. 23 (AP) — The current meat shortage, coupled with a plentiful supply of game, resulted in "too many pre-season game law violations," the state game commission said Tuesday in announcing a drive to curb the infractions.

"An epidemic of major violations" in various sections of the state resulted in 163 prosecutions and fines amounting to \$6,887 during September, the commission said.

While the majority of these were for pre-season shooting, there were other apprehensions for spot lighting and killing deer at night.

"There is no worse violator than the cheat who robs law-abiding hunters of their sport by pre-season shooting," a spokesman said in reminding sportsmen, landowners and others that "it is their duty to report any person they observe violating the game laws either before season, during the season, or after the season."

Experiments have sprayed mosquitoes with chemicals that make them glow in the dark to determine how far they fly.

SAVE THAT CAR

No "winter sleep" for your car!

The first touch of winter can put a car that isn't ready for it right out of circulation. And no car is winter-ready without a thorough pre-winter check-up and servicing—especially cars as old as most in use today. Take no chances with your transportation! New cars are still not sufficient to supply the demand. Old ones must last—or else! For care that saves wear—care that may be the only way to save your car—see your neighborhood Esso Dealer today and regularly!

- ☒ **FRESH ESSO MOTOR OIL.** It's extra tough for engine protection...extra free-flowing for quick starts in cold weather!
- ☒ **EXPERT CHASSIS LUBRICATION.** You need fresh grease of the correct grade properly applied at every lubrication point from front to rear. Let your Esso Dealer do it now!
- ☒ **BATTERY CHECK-UP.** Cold weather starting calls for a full-powered battery! Don't let yours let you down. Now's the time to test and inspect it; recharge if needed!
- ☒ **RADIATOR CARE.** Don't let a surprise cold-snap lay your car up for repairs. Have your radiator flushed, checked for leaks, your anti-freeze put in now!
- ☒ **TIRE INSPECTION.** Now's the sensible time to replace smooth ones with new, deep-tread ATLAS Tires for safer winter driving. They're still short so act soon!

For quick starts in cold weather! Use Esso Gasoline and Esso Motor Oil. This famous oil is extra tough-bodied for engine protection. It's also extra free-flowing to help cold engines turn over fast. Winter Esso Gasolines, too, are specially refined to give quick-starting, fast warm-up. Start your car care today—at the red-white-and-blue sign of Happy Motoring!
